LeizigClimate CF Series Commercial Ventilation Fan Limited Warranty

LeizigClimate Technologies, INC. ("LeizigClimate" or "Manufacturer") provides this Limited Warranty to the original end-user purchaser ("Purchaser") for its CF Series commercial ventilation fans, including circulation, exhaust, and related models designed for industrial, agricultural, or commercial applications (the "Product").

This warranty assures that the Product is free from defects in materials and workmanship when used under normal conditions and in accordance with the provided instructions. The warranty period is **two (2) years** from the date of original purchase, as verified by a dated sales receipt or invoice. This Limited Warranty is applicable solely to Products sold and operated within the continental United States.

Scope of Warranty

- LeizigClimate warrants against manufacturing defects that impair the Product's intended performance as described in the accompanying user guide or specifications.
- In the event of a covered defect, LeizigClimate, at its **exclusive option**, will repair the affected Product or part, or furnish a replacement Product or part with equivalent specifications and functionality.
- Any repaired or replaced item under this warranty shall be warranted for the unexpired portion of the original warranty term or **sixty (60) days** from the date of return shipment, whichever is greater.
- Costs for replacement parts and authorized labor are covered by LeizigClimate when repairs are conducted at a designated service facility.
- The Purchaser is responsible for all shipping and freight charges to return the Product to LeizigClimate. LeizigClimate will pay for standard **ground shipping** of the repaired or replaced item back to the Purchaser.

What Is Not Covered

This Limited Warranty excludes coverage for:

- Issues arising from incorrect setup or installation not in compliance with the Product's installation manual.
- Operation in environments exceeding the Product's rated limits, including extreme temperatures, moisture levels, particulate matter, or chemical exposures.

- Damage caused by improper handling, abuse, misuse, negligence, or unauthorized alterations.
- Damage caused by external incidents or "Acts of God," including but not limited to power surges, lightning, fire, flood, or other external causes.
- Damage sustained during transit (shipping) to LeizigClimate.
- Normal wear and tear, such as aesthetic wear, minor oxidation, or surface blemishes that do not affect performance.
- Consumable or wearable components, including (but not limited to) impellers, guards, or electrical cords.
- Failures due to a lack of adequate or routine maintenance, including but not limited to buildup of contaminants on mechanical or electrical elements.
- Products that have been altered, or on which model numbers, serial tags, or identification markings have been defaced.
- **Consequential, incidental, or secondary damages**, such as downtime, business interruption, or other non-direct losses.
- Use outside of approved commercial or industrial settings.
- Problems resulting from non-approved modifications, servicing, or integration with incompatible accessories.

How to Obtain Warranty Service

To submit a warranty claim:

1. **Notify LeizigClimate Support** through the store your purchased the prodcuts.
2. **Secure a Warranty Authorization Number (WAN)** from LeizigClimate Support before returning any item. Products received without a WAN will be refused.
3. **Return the Product** (freight prepaid and adequately protected) to the specified LeizigClimate facility. The WAN must be clearly marked on the exterior of the shipping container.
4. Following inspection and confirmation of a covered defect, LeizigClimate will process the repair or replacement and ship it back to the Purchaser via **ground shipping** at no charge.

On-site service (field repair) or expedited shipping services are not covered by this warranty and may be available for an additional fee.
